Subject: Re: 40CFR 60, Subpart OOOO Well Completions Notifications

No problem Cindy. I noticed that when I "cut and pasted" the body of the e-mail I neglected to change the County for these three wells.

The correct County is Weld but I'm sure you would have seen that by the API number.

Would you like the previous notifications resubmitted or are we good with future notifications only ?

Thanks,
Chris

Hi Chris -

Thank you for the notifications. Can you please add the State name (in which the reported well is located) in the subject line to ease in our internal distribution.

Thanks!

computers,
network, and data. The attachment has been deleted.

This was done to limit the distribution of computer viruses
introduced
into the EPA network. EPA is deleting all computer program
attachments
sent from the Internet into the agency via Email.

If the message sender is known and the attachment was legitimate,
you
should contact the sender and request that they rename the file
name
extension and resend the Email with the renamed attachment.
After
receiving the revised Email, containing the renamed attachment,
you can
rename the file extension to its correct name.

For further information, please contact the EPA Call Center at
(866) 411-4EPA (4372). The TDD number is (866) 489-4900.
